STATE OF MISSOURI  
**DEPARTMENT OF PUBLIC SAFETY**  
**OFFICE OF THE DIRECTOR**

September 7, 2017

Dear Division of Alcohol and Tobacco Control Staff Member:

I am pleased to announce a very welcome addition to the Department of Public Safety team to serve as State Supervisor of the Division of Alcohol and Tobacco Control. Dottie Taylor has dedicated her career to public service and strengthening public safety in the state of Missouri.

Dottie has spent more than 21 years at the Missouri State Highway Patrol, achieving the rank of Lieutenant and Assistant Training Director of the Highway Patrol Training Academy. During her career, she has served as a road trooper, criminal investigator and internal affairs officer, before joining the academy staff.

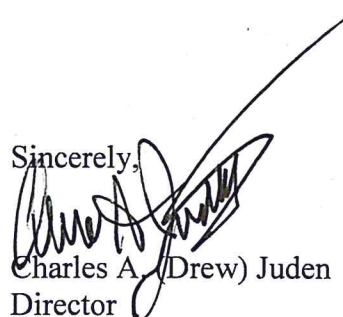

In each of these positions, Dottie has shown commitment, resolve, leadership and genuine concern for the safety and well-being of her co-workers and the citizens of the state of Missouri. I am confident she has the ability to lead ATC as the division takes on greater responsibilities to enhance public safety in Missouri.

I want to thank each of you for the hard work you have been doing since Governor Eric Greitens' administration took office in January. ATC is an integral part of the department and your work is appreciated. In particular, Chief of Enforcement Keith Hendrickson has done a fine job in the capacity of Acting State Supervisor these past eight months. I and the Governor's leadership team appreciate the work each of you is doing.

One of Dottie's strengths is that she understands the importance of the people within an organization and of teamwork in achieving success. I believe that working together under Dorothy's leadership, ATC is poised for success.

Dottie's first day at ATC will be November 1.

Sincerely,

  
Charles A. (Drew) Juden  
Director
