

# BLURRED LINES IN THE AGE OF ALCOHOL INNOVATION

## 2022 ANNUAL CONFERENCE – OVERLAND PARK, KANSAS

### JUNE 19 – 22, 2022

---

From the esteemed 2022 Program Planning Committee, here's a special preview of one of the sessions featured in the upcoming 2022 NCSLA Annual Conference Program:

#### **SESSION #10: Annual Legal Update**

Marking the 30<sup>th</sup> anniversary of his first address to the NCSLA, nationally-recognized alcohol lawyer **Richard Blau** returns to the podium on Tuesday, June 21, to deliver what many believe will be his most consequential review of the laws governing the alcohol industry in America. Analyzing 2021-22 federal and state court cases, as well as new statutes and a slew of executive orders, Blau will explain how:

- Traditional boundaries between tiers and segments of the industry continue to blur;
- Enforcement practices are (or are not) adapting; and
- The likely path forward in the light of changing technologies, intra-tier consolidations, and a rapidly evolving marketplace.

For those who need to fulfill Continuing Legal Education (CLE) requirements, NCSLA is pleased to announce approval from California, Iowa, Missouri, and Pennsylvania. NCSLA is working to obtain pre-approval from some other state authorities and will provide a Uniform Certificate of Attendance at the conference for submission to your local jurisdiction. We'll keep you apprised of other state approvals as they are received.
