

To Our Members:

On behalf of the NCSLA Executive Committee, I hope that you and your families are safe, healthy, and remain optimistic for a brighter future. Unfortunately, and because the impact of COVID-19 has not abated, the Executive Committee has unanimously decided to cancel the in-person 2020 Annual Conference scheduled for June 14-17, 2020. Going forward, we are exploring the possibility of hosting a shorter virtual meeting, as well as enabling the Kansas Alcoholic Beverage Control Division to host an in-person Annual Conference at a later date. Please look for updates in your email and on our website.

Stay well, stay safe.

*Anna Hirai*

President

National Conference of State Liquor Administrators

*Sent on behalf of President Hirai by Pamela Frantz, NCSLA Executive Director*
