Come learn about the most recent updates with the Craft Beverage Modernization Act (CMBA), questionable trends with marketing and advertising compliance, and the current state of affairs for rulemaking on topics such as: alcohol facts, ingredient labeling, and nutritional labeling.

And what comes next for Trade Practice Regulations related to the FAA's exclusive outlet, tied house, commercial bribery, and consignment sales prohibitions when the public comment period closes on June 7, 2023? This question and many more answered during our brief, but informative, presentation.
