2023 ANNUAL CONFERENCE – OKLAHOMA CITY, OKLAHOMA

JUNE 11 – 14, 2023

Here's a special preview of one of the sessions featured in the upcoming 2023 NCSLA Annual Conference Program:

PANEL #3: Regulatory Perspectives on Illegal Interstate Shipping of Beverage Alcohol

It's a crime this panel is limited to 60 minutes to discuss this exciting topic!

State regulators are increasing their scrutiny of illegal interstate shipping of beverage alcohol. Recently the trade press provided insights into illegal shipping activity that involves a group of individuals from Kentucky, Washington DC, Pennsylvania, Texas, and the Netherlands! This is just one example of illegal activities in the marketplace.

E-commerce has provided us all with increased convenience but there are individuals who are exploiting this access and are bypassing established regulatory channels. These illegal activities have negative implications on state tax collection along with health and safety concerns.

This panel features three regulators who will provide insights into enforcement efforts aimed at the illegal interstate shipping of beverage alcohol. Discussion topics will include enforcement efforts, legal considerations along with the impact of e-commerce.

Moderator: **RANDY BARNHART**, VP Gov. Affairs/Compliance, Southern Glazers Wine & Spirits

Panelists: **TED MAHONY**, Chief Investigator, Massachusetts Alcoholic Beverage Control Commission

DON MCGEHEE, Michigan Attorney General, Division Chief Alcohol Enforcement

THOMAS GRAHAM, Executive Director, Texas Alcoholic Beverage Commission
