

A Capital Idea: Regulating for the Future, Building on our Past **2024 ANNUAL CONFERENCE – WASHINGTON, DC** **JUNE 16 – 19, 2024**

NCSLA is celebrating its 90th anniversary this year and you won't want to miss it! Here's a special preview of one of the sessions featured in the upcoming 2024 national conference program:

PANEL 7: BALANCE of REGULATION and BUSINESS

A liquor regulator is responsible for communicating and enforcing rules and regulations. They are also public servants serving businesses and taxpayers. How do states modernize liquor laws and regulations to evolve with industry practices without negatively impacting the three-tier system? What is the influence of legislators and their constituents on amending laws? Panelists will discuss how states can deliver excellent customer service to licensees as regulators, whether regulation and business support are mutually exclusive, and how to balance business interests of licensees with the public safety mission of ABCs.

Moderator: ANNA C. HIRAI, Assistant Administrator, Honolulu Liquor Commission

Panelists: MATTHEW BOTTING, General Counsel, California Department of Alcoholic Beverage Control
SEAN GORDY, Licensing Manager, District of Columbia Alcoholic Beverage and Cannabis Administration
WENDY KNIGHT, Commissioner, Vermont Department of Liquor and Lottery
