

A Capital Idea: Regulating for the Future, Building on our Past
2024 ANNUAL CONFERENCE – WASHINGTON, DC
JUNE 16 – 19, 2024

NCSLA is celebrating its 90th anniversary this year and you won't want to miss it! Here's a special preview of the ethics session that will be featured on Wednesday at the upcoming 2024 national conference program.

PANEL #12: Ethical Responsibility of Regulators in Management of the Three Tier System, the Concept of Wellness Drinking, and the Impact of Federal/State Policies on Substance Use Services

Recent legislative proposals in the alcohol industry to ease certain restrictions have been interrupted by addiction experts as anti-temperance. This ethics presentation will focus on how regulatory changes have impacted state-funded substance use services—and serve as a guide on what to do when a legal professional becomes aware of a colleague struggling with mental health or addiction issues. The session will also include a first-hand look into how New York State, through its Office of Addiction Services and Supports (OASAS), is leveraging federal and state-level data and policies to guide its prevention, treatment, harm reduction and recovery efforts.

Applicable ABA Rules of Professional Conduct will be covered; qualifies as MCLE accredited panel.

Moderator: LILY M. FAN, Chair & Commissioner, New York State Liquor Authority

Presenter: DR. CHINAZO CUNNINGHAM, Commissioner, New York Office of Addiction Services and Supports (OASAS)

For those who need to fulfill Continuing Legal Education (CLE) requirements, **NCSLA has obtained approval from California and Missouri**, and is working on pre-approval from other state authorities. We will provide a Uniform Certificate of Attendance at the conference and on the NCSLA website and meeting app for submission to your local jurisdiction and keep you apprised of state approvals as they are received.
